## S ODALITY

At the sodality's weekly meeting on Nednesday last, Father Director once asain stressed the importance of the executive doing the work of the sodality. It was suggested that the executive have a private meeting to discuss the activities for this term and then t: submit their plans to rather Director for approval.

The new sodality pins can be purchasod from Father Director at anytime for the sum of thirtyfive cents. It would be a good thing if every sedalist secured a new pin and thereby clear-up our sodality debt.

The stamp comittee are thoroughly disaopointed at the
lack of co-operation on the part of their fallow-sodelists. The motive is high, the work sifple, the inducement pleasing and yet the sodaligts will not oring in stamps. There seems to je a deciáed lack somewhere of Catholic generosity when Catholic students will not do this simple thing to help their uatholic mise 0 Ons.

Sodalists are urged to continue their good work by attending mass every Saturday morining. Don't depend on the other fellow to come to mass; come yourseif.

## INTRA-GURGLS IN FULL SWING

After receiving a set-back at the hands of 4 th , 3 A went to towil at the expense: Of $3 E$. Chet Langan dominated the play and as most of the action occured within $3 \bar{E}^{\prime} \mathfrak{0}$ blue - line, ivilledge was continually hard-pressed and it is to his credit that the final score was not more than 8-2.

The hapless $3=$ sextet inext ran into the 4 th juggernaut and Was crushed 10-0, giving "sleep" ielly a very well-deserved shutout. it one time, Iea herivicholl jroise avay and coasted in on the alert $\Delta t h$ custodian; the latter nonchatantly smothered the buriing drave, then weit bactr to the arms or horpheus again. Parenteau starred with five goals, while Eill inc.icholl darnered three.

Then on Tueadag tragedy entered tine scene, for it was then that $3 A$ vanquishea a fighting 4 th.
